

"Photography is an intimate art of being aware and recording special moments, capturing the essence of character and is a journey that evolves with the person behind the camera."

Welcome to Korsos Photography

The studio / lab is based in the heart of the beautiful Sunshine Coast.

We can cater for all your photography needs, you can trust to get results that make an impression.

In Store Photographic Lab Printing, film processing and Fine Art Printing.

Specialising in photo restorations, the Coast's premier restoration specialist gives your treasured memories a new lease on life.

With all large format printing, we use **quality media and papers** and **Genuine Canon Lucia Ex Inks** to get the best colours and durability possible by today's standards. Our 12 ink printing system ensures consistent prints on wide range of media:

High Definition Premium Poster paper
High Definition Blockout Banner
Self Adhesive Vinyl

Premium Lustre Photo paper
Gicleé Cotton Rag
Gicleé Canvas
Gicleé Cotton Fabric
